PLANICA

INVITATION FOR THE
IMC 2022
INTERNATIONAL MASTERS CHAMPIONSHIPS

September 6th – 10th 2022

PLANICA (SLOVENIA)

Welcome to the Planica Nordic Centre!

Planica is an idyllic valley, rich in snow and protected against the wind by high mountains; an ideal place for training and competitions. The rich heritage dating back to the 1934 helped us in creating a comprehensive design of the training centre, which ensures the quality and quantity comprised by any training process.

There are four segments of ski jumping hills on the slope under the Ponce Mountain:

- Children ski jumping hills HS 15m, HS 30m and HS 45m,
- Youth ski jumping hills HS 62m and HS 80m,
- The Bloudek Giant HS 102 and HS 138m
- The ski-flying hill of the Gorišek brothers HS 240m

All the ski jumping hills are thoughtfully connected through transport devices (the chairlift, the escalator and two inclined lifts), making all the ski jumping hills easily accessible.

For the cross-country skiing, Planica offers around 40 km of courses at altitudes between 800 m and 1.100 m spread between Kranjska Gora, Rateče and Tamar. A modern start-finish venue is located on the roof of the central cross-country skiing facility.

In February 2023, Planica will host the biggest sporting event in Slovenia – FIS Nordic World Ski Championships!
